

Realities of Access to Data in Nigeria

Oluseun Onigbinde

July 13, 2020

It all comes down to data.....

Insecurity

Poverty

Health

Unemployment

Housing

*Our
aversion to
facts, the
wrestling
with truth*

4-Way Test

Actionable

Comprehensive

Timely

Accurate

Data

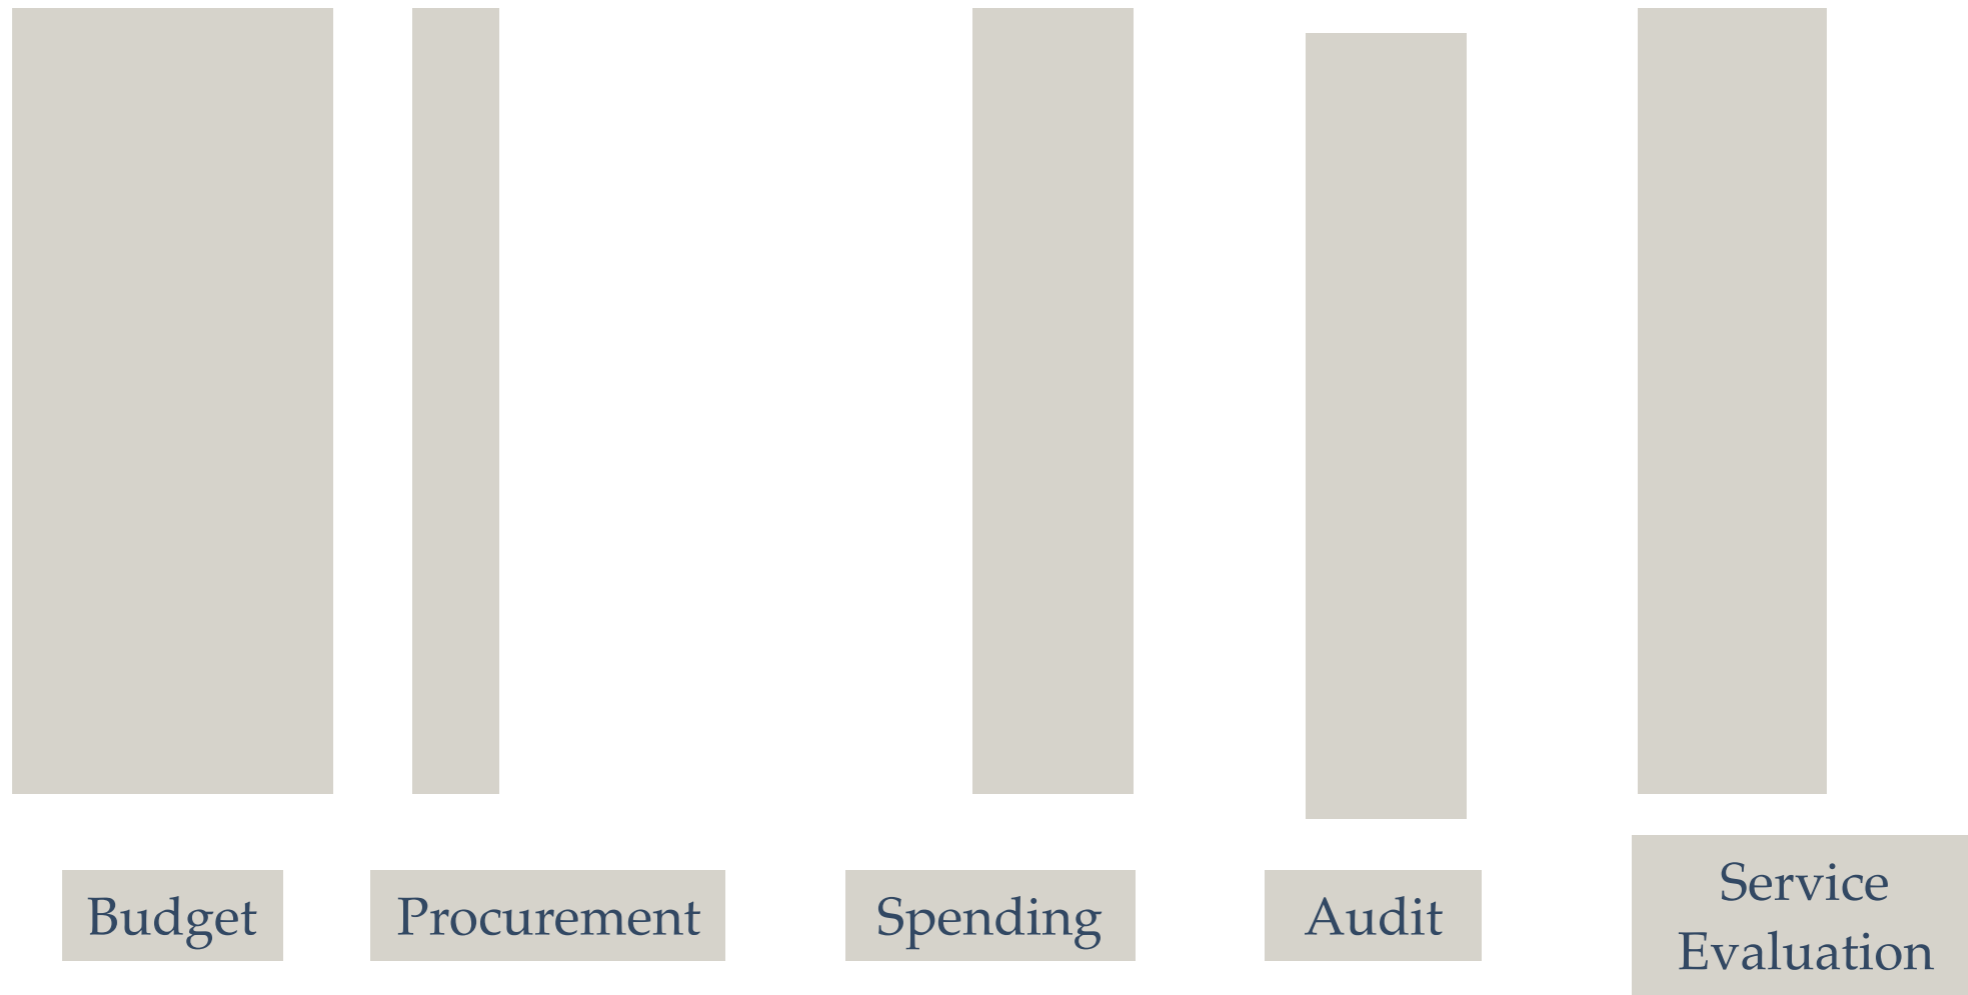

Identity

Socio-Economic Data

Development Data

Resource Data

4-Way Test

How do we fund Data Producers?

N5.5bn

Total Budget for National Bureau of Statistics

N994m

Capital Budget for National Bureau of Statistics

The Issues

Single Reference Element

Connecting the Dots

Feedback Systems

Synergy between producers & users

The Media & Civil Society

Embedding Data Systems in Newsrooms

Partnership in amplification of gaps & uses

Building broad coalitions with sources of power - faith organizations, grassroots media etc.

Synergy between producers & users

Visualization & Personalization

Infomediaries Explosion

Dataphyte
